From the Pastor’s Pen...

I greet you with the joy of Jesus. Once again a year’s progress has brought us to this annual celebration. Let me thank God for His grace and mercy being much applied in our cases. I thank you St. Mark for marking my twenty-fourth year as your pastor with this occasion. Truly, I am eternally grateful for you allowing me the privilege of pastoral leadership. Many thanks to our sister churches and their pastors for partnering with us as we do so.

St. Mark, we have journeyed a considerable ways in twenty-four years. Biblically, twelve is the number of completion. Today, we have completed two cycles. The completion of completion. Hallelujah! The hope we continue in, is the fact that "God is faithful." We shall journey on clinging to that fact. Let us remain vigilant in our devotions, studies and missions for The Kingdom. And I promise you "the best is yet to come!"

Eternally in Him,
Pastor
